Friendly Neighbors had their Christmas meeting on December 9th. It was wonderful. With about 63 people attending, the fellowship hall was full of people having fun, eating and wishing all a merry Christmas. You know it's just great to be at ARBC. There was a lot of food. Some members of the choir came to sing for us and with us. We sure did enjoy them. We had lots of fun.

The person of the month is Floride Carter. She is a member of the Joanne Glenn Sunday School class. She is a great help to Friendly Neighbors and a great help to church, helping out in any way necessary. She sits in about the fifth row from the front in church with her husband Rex. Stop by and speak with her!

We will see you in January. Our next meeting is January 12th. Cost is \$7.00/person.

Please make a special effort to write, visit, or call these special friends who are no longer able to regularly attend our church events.

Dear Friend of Augusta Road Baptist Church,

Your gifts and support to Augusta Road Baptist Church throughout this year are gratefully acknowledged. Because of your contributions, our congregation has been able to support the work of Jesus Christ locally, regionally and around the world. Your gifts provide for our ministry and support staff, and maintain our building. In the past year, Augusta Road Baptist Church has supported organizations assisting the poor in Greenville County including Samaritan's House, Westside Crisis, and United Ministries. Your giving to the Greenville Baptist Association provided Prisoner Packs for state inmates, and disaster relief for flood victims in Vermont. Contributions to the Cooperative Baptist Fellowship and Southern Baptist Convention support programs and missionaries that share to Gospel in South Carolina and throughout the world. Your donations to ServeTrust have helped fund a school for some of the poorest children in the world. Your gifts have provided music and education programs for children and adults at Augusta Road Baptist Church. Your support of the Youth Ministry resulted in a Vacation Bible School for poor children in Jacksonville, Florida.

Due to a change in our accounting software this year we are distributing two statements to those who gave throughout the year. Gifts given through the first week of July will be printed on one statement. Gifts given from July through December will be printed on another statement. If you gave throughout the year and receive only one statement please contact the office at 864.232.2712.

For income tax purposes, it's important for us to state here that your donations are tax-deductible to the extent allowable by law. Contributions resulting in a gift or benefit are deductible to the extent that contribution exceeds the value of the benefit.

We thank God for you!
