

## ARBC After School Handbook Acknowledgement Form

I have received a copy of the ARBC After School Handbook and understand all rules, policies, and expectations.

I understand that the handbook may be updated at any time during the year. Staff will notify all parents/guardians of any changes to the handbook as soon as possible. The latest version will always be available on the ARBC website.

By signing, you are acknowledging that you and your child have read and are willing to adhere to the policies listed within the handbook.
